Dear Director Remington:

Pursuant to Colorado's Open Records Act (C.R.S. 24-72-201, et seq.), The Cougar Fund hereby requests that you *make available for inspection* any and all records, documents, email communications, phone call records, meeting notes and/or minutes, reports or photographs that were generated, modified, or acquired throughout the staff's actions with regards to the incident in Idledale, CO involving a cougar allegedly entering a family home and killing their Labrador on August 4, 2008.

Because of our limited budget, we request that the records be made available for inspection only. We will copy only the records we believe are relevant. Please have the appropriate staff person contact me upon receipt of this letter to set the date as required by the above law.

We thank you in advance for your cooperation and attention to this matter.

Sincerely,

Emorie D. Broemel
